Sir,

The Swami of Sri Vyasarayaswami Matt has sent me copies of your communications to his Agent No.670 dated 29th February and No.691 dated 5th March 1920, asking him to have the idols in the building recently sold removed elsewhere in 7 days.

As the Matt's affairs are under Government management, the necessary action has to be taken by the Huzrat Department.

Looking into the references, it is seen that the building now sold is the house of Mr. Raghavendra Rao purchased some time back by Government for the Matt, about the year 1905, and a proposal to have the idols in the old Matt-site removed to this house was not favourably viewed. In these circumstances it is not ---- understood what the idols are that you refer to in your communications to the Matt Agent.

I am therefore to request that you will be so good as to inspect the building personally and report what the idols are, where, in what part of the building, each now stands, whether puja is performed to these idols and by whom, and where the idols may be removed and installed pending the construction of a new Matt building.

I am to request the favour of a reply by return of post.

Yours sincerely,

I inspected the matt. this morning there is nothing [illegible] so
This may conveniently be kept in one of the rooms in the Annachatram under lock and key. If this is not approved it may be kept in a rented building to which the ten devotees have given their consent as may be seen from the enclosed statement. This course involves a monthly expenditure of Rs 2 towards the rent of the building. Early orders are solicited as the purchaser has been pressing to be put in possession of the matt sold
